What is the Fund about?

AmAsia Pacific REITs Plus* is a real estate unit trust fund issued by AmFunds Management Berhad (the “Manager”) that aims to provide regular income** and to a lesser extent capital appreciation over the medium to long-term*** by investing in real estate investment trusts (REITs) and equities in the real estate sector.

*Note: * The word “Plus” is used in the Fund’s name as the Fund is a continuation of the AmAsia Pacific REITs and the Fund may invest in listed equities in the real estate sector.*

Who is the Fund suitable for?

The Fund is suitable for investors:

- seeking investment exposure in real estate sector through a diversified portfolio of REITs and real estate equities in Asia Pacific region. Portfolio diversification is obtained by investing in REITs of various sub-sectors (for example residential, commercial and industrial) and real estate equities; and
- seeking potential regular income** and to a lesser extent capital appreciation over the medium to long-term***.

Notes:

*** The income (if any) could be in the form of units or cash.*

**** Medium to long-term refers to a period of at least three (3) years*

What are the possible outcomes of my investment?

Best Case	Income distribution and capital appreciation.
Mid Case	No significant change in investment i.e. no income distribution and no capital appreciation.
Worst Case	Capital loss and with no income distribution.

What are the key risks associated with the Fund?

General risks associated with investing in a unit trust fund

Market Risk	Market risk refers to the possibility that an investment will lose value because of a general decline in financial markets, due to economic, political and/or other factors resulting in a decline in a fund's NAV.
Inflation Risk	This is the risk that investors' investment in a fund may not grow or generate income at a rate that keeps pace with inflation.
Manager's Risk	This risk refers to the day-to-day management of a fund by the manager which will impact the performance of a fund.
Non-Compliance Risk	This is the risk of the manager, the investment manager or the trustee not complying with their respective internal policies, the deed and its supplemental deed, securities law or guidelines issued by the regulators relevant to each party, which may adversely affect the performance of a fund.
Loan Financing Risk	This risk occurs when investors take a loan / financing to finance their investment. The inherent risk of investing with borrowed money includes investors being unable to service the loan repayments.
Country Risk	Investments of a fund in any countries may be affected by changes in the economic and political climate, restriction on currency repatriation or other developments in the law or regulations of the countries in which a fund invests in.
Suspension Risk	Refers to situation where the Manager suspends dealings of units in a fund (no redemption or subscription are allowed) under exceptional circumstances as set out in the Prospectus - Temporary suspension of determination of NAV and of the issue, switching and redemption of units. Suspension of a fund may potentially result in unit holders not being able to redeem their units into cash based on their liquidity needs and their investments will continue to be subject to the risk factors inherent in the Fund.

Specific risks associated with the Fund

Risks associated with Investment in REITs and Real Estate Equities	Investing in REITs and real estate equities involves many of the same risks associated with direct ownership of real estate including but not limited to possible declines in real estate's value, increase in interest rates and real estate borrowing costs, changes in property taxes, higher operating expenses, damage from natural or man-made disasters and fall in market rental rates, which may affect the NAV of the Fund.
Stock Specific Risk	Prices of a particular stock may fluctuate in response to the circumstances affecting individual companies.
Sectoral Risk	As the Fund invests only in real estate sector, this Fund would be significantly affected by developments in this sector.
Income Distribution Risk	The distribution of income is not guaranteed.
Currency Risk	As the investments of the Fund may be denominated in currencies other than the base currency, any fluctuation in the exchange rate between the base currency and the currencies in which the investments are denominated may have an impact on the value of these investments.

Note: The abovementioned risks which investors should consider before investing into the Fund should not be considered to be an exhaustive list. Investors should be aware that investments in the Fund may be exposed to other unforeseeable risks from time to time. Investors are advised to consult their professional adviser. Please refer to the Prospectus under “Risk Factors” for further details on risks.

Please note that if you invest in units through a distributor via a nominee system of ownership, you will not be deemed a unit holder under the deed of the Fund.

What are the fees and charges involved?

There are fees and charges involved and you are advised to consider them before investing in the Fund.

What will I be charged by AFM?

Entry Charge	Up to 5.00% of NAV per unit of the Fund. <i>Notes: The entry charge is to be charged upon investment in the Fund. There will be no entry charge for all staff from AmBank Group. Investors are advised that they may negotiate for lower entry charge prior to the conclusion of the sales. Investment under the Employees Provident Fund – Members Investment Scheme (“EPF-MIS”) will be levied an entry charge of up to 3.00% of the NAV per unit.</i>
Exit Penalty	There is no exit penalty for this Fund.
Transfer Fee	Nil.
Bank Charges/Fees	Bank charges or fees are incurred only upon withdrawals.
Switching Fee	For switches between any of the funds managed by AFM, investors will be charged on the differences of entry charge between funds switched, which is up to a maximum of 6% of NAV per unit of the fund switched into. No entry charge will be imposed if the fund to be switched into has a lower entry charge. However, the Manager has the discretion to waive or reduce the switching fee. Switching may also be subject to an exit penalty should the fund switched out impose an exit penalty.

What are the key ongoing fees charged to the Fund?

Annual Management Fee	Up to 1.50% per annum of the NAV of the Fund.
Annual Trustee Fee	Up to 0.08% per annum of the NAV of the Fund, subject to a minimum fee of RM10,000 per annum.

Note: Unless stated otherwise, all fees, charges and/or expenses disclosed in the Product Highlights Sheet are exclusive by way of example and not limitation; goods and services tax, value added tax, consumption tax, levies, duties and other taxes as may be imposed by the Government of Malaysia from time to time (collectively known as “Taxes”). If these fees, charges and/or expenses are subject to any Taxes, such Taxes shall be borne and payable by the unit holders and/or the Fund (as the case may be) at the prevailing rate, including any increase or decrease to the rate, in addition to the fees, charges and/or expenses stated herein.

You are advised to consider the fees and charges involved before investing in the Fund. Unit prices and distributions, if any, may go down as well as up.

How will I be notified of any increase in fees and charges?

- A written communication will be sent to unit holders to notify of the higher rate and its effective date; and
- A supplementary or replacement prospectus will be registered and issued.

How often are valuations available?

We publish updated information on our website www.aminvest.com; and the NAV per unit of the Fund is sent to the Federation of Investment Managers Malaysia (“FIMM”) in order for it to be published in major newspapers on a daily basis.
