Page 15 - 16 of the Replacement Information Memorandum – ONGOING FEES AND EXPENSES

The illustration and write-up under section (a) to (c) is hereby deleted and replaced with the following:

The fees and expenses that you may indirectly incur are as follow:

(a) Annual Management Fee

An annual management fee of up to 0.75% p.a. of the Fund's NAV is charged to the Fund. The management fee is calculated on a daily basis and will be paid monthly.

An illustration of the calculation and apportionment of the daily management fee is as follows:

	RM
Investment	190,000,000
Others (Liquid assets)	10,000,000
NAV (before fees)	200,000,000

Management fee for the day is calculated as follows:

$$\frac{(\text{Investments} + \text{Liquid assets}) \times 0.75\%}{\text{Number of days in a year}}$$

$$\frac{200,000,000 \times 0.75\%}{365 \text{ days}} = \text{RM}4,109.59 \text{ (rounded to 2 decimal points)}$$

GST applicable to the management fee for the day charged by the Fund

$$\text{RM}4,109.59 \times 6.00\% = \text{RM}246.58 \text{ (rounded to 2 decimal points)}$$

Management fee for the day charged by the Fund inclusive of GST

$$\text{RM}4,109.59 + \text{RM}246.58 = \text{RM}4,356.17 \text{ (rounded to 2 decimal points)}$$

(b) Annual Trustee Fee

The Trustee is entitled to an annual trustee fee for acting as trustee to safeguard the interest of Unit Holders and as custodian of the Fund's assets. This fee is calculated daily and paid monthly. The trustee fee is up to 0.08% p.a. of the NAV of the Fund, subject to a minimum fee of RM10,000 p.a.

An illustration of the trustee fee per day is as follows:

Assuming the NAV of the Fund is RM200,000,000 and the Trustee fee is 0.08% p.a. of the NAV of the Fund, then the daily accrued trustee fee would be :-

$$\begin{aligned} \text{Trustee fee for the day} &= \text{NAV of the Fund} \times \text{trustee fee rate for the Fund (\%)} \times 1/365 \text{ days} \\ &= \text{RM } 200,000,000 \times 0.08\% \times 1/365 \\ &= \text{RM}438.36 \text{ (rounded to 2 decimal points)} \end{aligned}$$

$$\begin{aligned} \text{GST applicable to the trustee fee for the day} &= \text{trustee fee for the day} \times \text{GST (\%)} \\ &= \text{RM } 438.36 \times 6.00\% \\ &= \text{RM}26.30 \text{ (rounded to 2 decimal points)} \end{aligned}$$

$$\begin{aligned} \text{Trustee fee for the day charged by the Fund inclusive of GST} &= \text{RM}438.36 + \text{RM}26.30 \\ &= \text{RM}464.66 \text{ (rounded to 2 decimal points)} \end{aligned}$$

(c) Fund Expenses

The Manager and Trustee may be reimbursed out of the Fund for any costs reasonably incurred in the administration of the Fund. The Fund's expenses currently include but are not limited to audit fees, tax agent's fees, printing and postages of annual and interim reports, bank charges, lodgment fees for Fund's reports, commission paid to dealers (if any) and other expenses as permitted by the Deed.

Note: All fees, and charges and expenses disclosed in the Replacement Information Memorandum are expressed on a GST-exclusive basis. Accordingly, to the extent that services provided are subject to GST, the amount of GST payable on any related fee, charge and/or expense will be payable by the Unit Holder and/or the Fund (as the case may be) in addition to the fees, charges and expenses disclosed in the Replacement Information Memorandum.

Dear Sirs

AmIncome Institutional 1

Taxation of the Fund and Unit Holders

1. This letter has been prepared for inclusion in the First Supplementary Information Memorandum dated 1st April 2015 in connection with the offer of units in AmIncome Institutional 1 (hereinafter referred to as “the Fund”).

The following is general information based on Malaysian tax law in force at the time of lodging the First Supplementary Information Memorandum with the Securities Commission Malaysia and investors should be aware that the tax law may be changed at any time. To an extent, the application of tax law depends upon an investor’s individual circumstances. The information provided below does not constitute tax advice. The Manager therefore recommends that an investor consult his accountant or tax adviser on questions about his individual tax position.

2. **Taxation of the Fund**

- 2.1 **Income Tax**

As the Fund’s Trustee is resident in Malaysia, the Fund is regarded as resident in Malaysia. The taxation of the Fund is governed principally by Sections 61 and 63B of the Malaysian Income Tax Act, 1967 (“MITA”).

Pursuant to the Section 2(7) of MITA, any reference to interest shall apply, mutatis mutandis, to gains or profits received and expenses incurred, in lieu of interest, in transaction conducted in accordance with the principles of Shariah. The effect of this is that any gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of Shariah, will be accorded the same tax treatment as if they were interest.

The income of the Fund in respect of dividends, interest or profits from deposits and other investment income (other than income which is exempt from tax) derived from or accruing in Malaysia is liable to Malaysian income tax (“income tax” or “tax”). The Fund may be receiving income such as exit fee which will be subject to tax at the prevailing tax rate applicable on the Fund. Gains on disposal of investments by the Fund will not be subject to income tax.

The income tax rate applicable to the Fund is 25%. It has been gazetted in the Finance (No.2) Act 2014 on 30th December 2014 that with effect from year of assessment 2016, the income tax rate applicable to the Fund would be reduced to 24%.

Tax exempt interest as listed in the Appendix attached received by the Fund are not subject to income tax.

With effect from 1st January 2014, Malaysia has fully moved to a single-tier income tax system. The Fund is not liable to tax on any Malaysian sourced dividends paid, credited or distributed to the Fund under the single tier tax system, where the company paying such dividend is not entitled to deduct tax under the MITA. The tax deductibility of expenses incurred by the Fund against such dividend income will be disregarded.

The Fund may receive Malaysian dividends which are tax exempt from investments in companies which had previously enjoyed or are currently enjoying the various tax incentives provided under the law. The Fund is not subject to income tax on such tax exempt dividend income.

The Fund may also receive dividends, profits and other income from investments outside Malaysia. Income derived from sources outside Malaysia and received in Malaysia by a resident unit trust is exempted from

Malaysian income tax. However, such income may be subject to foreign tax in the country from which the income is derived.

Discount or profit received from the sale of bonds or securities issued by Pengurusan Danaharta Nasional Berhad or Danaharta Urus Sendirian Berhad within and outside Malaysia is exempted from the payment of income tax pursuant to Income Tax Exemption (No. 6) Order 2003.

Income received by the Fund from Sukuk Ijarah, other than convertible loan stock, issued in any currency by 1Malaysia Sukuk Global Berhad and Sukuk Issue which has been issued by the Malaysia Global Sukuk Inc is exempted from the payment of income tax.

Income derived from Sukuk Kijang is exempted from the payment of income tax pursuant to Income Tax (Exemption) Order 2013. For the purpose of this order, "Sukuk Kijang" means the Islamic Securities of nominal value of up to two hundred and fifty million United States dollars (USD\$250,000,000) issued or to be issued in accordance with the Shariah principle of Ijarah by BNM Kijang Berhad.

The tax treatment of hedging instruments would depend on the particular hedging instruments entered into. Generally, any gain or loss relating to the principal portion will be treated as capital gain or loss. Gains or losses relating to the income portion would normally be treated as revenue gains or losses. The gain or loss on revaluation will only be taxed or claimed upon realisation. Any gain or loss on foreign exchange is treated as capital gain or loss if it arises from the revaluation of the principal portion of the investment.

Generally, income from distribution from Malaysia Real Estate Investment Trusts will be received net of withholding tax of 10%. No further tax will be payable by the Fund on the distribution. Distribution from such income by the Fund will also not be subject to further tax in the hands of the Unit Holders.

Expenses being manager's remuneration, maintenance of register of Unit Holders, share registration expenses, secretarial, audit and accounting fees, telephone charges, printing and stationery costs and postage, which are not allowed under the general deduction rules, qualify for a special deduction, subject to a minimum of 10% and a maximum of 25% of such expenses pursuant to Section 63B of the MITA.

2.2 Gains on Disposal of Investments

Gains on disposal of investments by the Fund will not be subject to income tax but where the investments represent shares in real property companies, such gains may be subject to Real Property Gains Tax ("RPGT") under the RPGT Act, 1976. A real property company is a controlled company which owns or acquires real properties or shares in real property companies with a market value of not less than 75% of its total tangible assets. A controlled company is a company which does not have more than 50 members and is controlled by not more than 5 persons.

2.3 Goods and Services Tax ("GST")

GST will be implemented in Malaysia at 6% standard rate effective 1st April 2015. GST will replace the current sales and service tax regime.

If it is determined that the Fund is required to register for GST, any fees it charges to unitholders will be subject to GST at 6%.

The issuance of units by the Fund to investors will be exempted from GST. To the extent that the Fund invests in any financial services products (e.g. securities, derivatives, units in a fund or unit trust), the acquisition of these interests will be exempted from GST. To the extent that fees are charged to the Fund in relation to these products, these fees would be subject to 6% GST.

The GST paid on acquisitions made by the Fund (e.g. fund manager fees, trustee fees etc.) would either unrecoverable in whole or in part and would be subject to further analysis to determine the extent that GST can be recovered.

3. Taxation of Unit Holders

3.1 Taxable Distribution

Unit Holders will be taxed on an amount equivalent to their share of the total taxable income of the Fund to the extent such income is distributed to them. Unit Holders are also liable to pay income tax on the taxable income distributions paid by the Fund. Taxable distributions carry a tax credit in respect of the tax chargeable on that part of the Fund. Unit Holders will be subject to tax on an amount equal to the net taxable distribution plus attributable underlying tax paid by the Fund.

Income distributed to Unit Holders is generally taxable as follows in Malaysia :-

The tax credit that is attributable to the income distributed to the Unit Holders will be available for set off against tax payable by the Unit Holders. There is no withholding tax on taxable distributions made to non-resident Unit Holders.

Non-resident Unit Holders may also be subject to tax in their respective jurisdictions and depending on the provisions of the relevant tax legislation and any double tax treaties with Malaysia, the Malaysian tax suffered may be creditable in the foreign tax jurisdictions.

3.2 Tax Exempt Distribution

Tax exempt distributions made out of gains from realisation of investments and other exempt income earned by the Fund will not be subject to Malaysian tax in the hands of Unit Holders, whether individual or corporate, resident or non-resident. All Unit Holders do not pay tax on that portion of their income distribution from the Fund's distribution equalisation account.

3.3 Distribution Voucher

To help complete a Unit Holder's tax returns, the Manager will send the Unit Holder a distribution voucher as and when distributions are made. This sets out the various components of the income distributed and the amount of attributable income tax already paid by the Fund.

3.4 Sale, Transfer or Redemption of Units

Any gains realised by a Unit Holder on the sale, transfer or redemption of his units are generally tax-free capital gains unless the Unit Holder is an insurance company, a financial institution or a person trading or dealing in securities. Generally, the gains realised by these categories of Unit Holders constitute business income on which tax is chargeable.

3.5 Reinvestment of Distribution

Unit Holders who receive their income distribution by way of investment in the form of the purchase of new units will be deemed to have received their income distribution after tax and reinvested that amount in the Fund.

3.6 Unit Splits
