**List of Non-Business Days for the Year 2025**

<b>Fund Name</b>	Global Dividend
<b>Name of target fund</b>	Fidelity Funds - Global Dividend Fund

Note:-  
Each week day (any day Monday to Friday inclusive) excluding 25 December ('Christmas Day') and 1 January ('New Year's Day') as well as any other day which the Directors have determined, in the best interests of the Shareholders, as non-Valuation Dates for specific funds.

Non-Valuation Dates may for example be any day observed as a holiday on a stock exchange which is the principal market for a significant portion of the investments attributable to a fund, or any day which is a holiday elsewhere so as to impede the calculation of fair market value of the investments attributable to a given fund, which may also include any day immediately preceding such relevant market closure where the dealing cut-off time of the relevant fund occurs at a time when the relevant underlying main market is already closed to trading and the following days are a period of consecutive market closure days.

The list of expected non-Valuation Dates is available on <https://fidelityinternational.com/non-valuation-days/> and is updated in advance on a semi-annual basis. However, the list may be further updated from time to time in advance as is reasonably practicable in exceptional circumstances where the Directors believe that it is in the best interests of the Shareholders.
