**AmInvest Honoured as
Malaysia's Best Investment Management Company**

AmInvest has been awarded the Best Investment Management Company, Malaysia Award ("**Award**") at the World Finance Investment Management Awards 2020.¹ AmInvest was the recipient of this Award for seven consecutive years from 2012 to 2018.¹

AmInvest was commended based on a number of criteria including performance, service, leadership, consistency, targets and objectives.

Commenting on AmInvest's latest win, Dato' Sulaiman Mohd Tahir, Group Chief Executive Officer, AmBank Group, said, "It is an encouraging and positive start to the new year, and we are honoured to be singled out as the best fund management house in Malaysia. We have been managing funds for 40 years now. This Award is a testament to the expertise and capabilities of our people in growing our investors' investments despite the challenging market environment. AmInvest's business has been on an upward trajectory in terms of growth of Assets Under Management ("**AUM**"). Over the past year (as at December 2020), AmInvest's total AUM grew by 13% to a record high of around MYR50 billion."

Commenting on the market moving forward, Ms. Goh Wee Peng, Chief Executive Officer of AmInvest, added, "We expect global economies to see a firmer recovery in 2021 assuming the availability and effectiveness of the vaccine are within projections. We maintain a balanced view on both the equity and fixed income markets for this year. Prospects for an economic recovery along with upward corporate earnings revision should be supportive of a sustained equity market performance. We expect a similar support for the fixed income market given the anticipated

continuous low interest rate environment and improved corporate earnings that will help to keep credit ratings stable.”

AmInvest manages assets encompassing unit trust funds, wholesale funds, institutional mandates, exchange traded funds and private retirement schemes. Its fund offerings include both conventional and Shariah-compliant investment solutions, and foreign and local investments across all asset classes.

World Finance, the organiser for the annual awards, is based in the United Kingdom and provides coverage and analyses of the financial industry. World Finance is published by World News Media.
