From left to right (L-R)- Dennis Tan Yik Kuan, Managing Director of iFast Capital Sdn. Bhd., Valerie Low Lai Kin, Head of Retail & Retirement Funds and Raymond Lew Wei Chien, Head of Fixed Income of AmFunds Management Berhad, at FSMOne Recommended Unit Trusts Awards 2023/24 ceremony.

AmInvest received three fund awards at the FSMOne Recommended Unit Trusts Awards 2023/24 (“the Awards”)¹ in recognition of its consistent outperformance amongst peers within the respective categories of the three winning funds. FSMOne is an online investment platform that distributes unit trusts, stocks, exchange-traded funds, insurance, bonds and managed portfolios. AmInvest is the brand name for the fund management business of AmFunds Management Berhad and AmIslamic Funds Management Sdn. Bhd.

AmIncome Plus was selected as the recommended unit trust fund under the Fixed Income – Malaysia (Short Duration) category, whereas AmBond was chosen for the Core Fixed Income – Malaysia¹. Concurrently, Europe Equity Growth fund won the Sub Regional Equity – Europe, for the second consecutive year¹.

To qualify for the Awards, unit trust funds with at least three years of track record (as at end March 2023) were rigorously assessed amongst peers in the same category. The methodology for fund assessment was based on a combination of quantitative and qualitative factors. The quantitative factors considered were historical performance, risk and expense ratio.

Ms. Goh Wee Peng, Chief Executive Officer of AmFunds Management Berhad, said, “We are pleased with our investment team’s strategy over the review period, overweighting portfolio duration to position for a bullish flattening of the yield curve and overweighting credit securities. Europe Equity Growth which invests into Europe stocks has benefited from the gains from Europe’s stock markets.”
