## About AmInvest

## Key reasons to invest in AmUSD Money Market Fund (the "Fund")

### 1. High credit rating quality investments

Investing in high-quality money market instruments and debt securities which aims to maintain a robust level of credit quality and safety for the Fund.

Aspect	Impact
<b>Risk Management</b> 	Higher-rated instruments are less likely to default, minimizing potential losses (A-1 for short-term, BBB- for long-term by S&P).
<b>Portfolio Diversication</b> 	By diversifying across high-quality securities, the Fund spreads risk across different issuers and sectors, which in turn enhances portfolio stability.
<b>Yield Potential</b> 	While prioritizing credit quality, these instruments still offer competitive yields relative to their risk profile, providing potential income generation for the Fund.
<b>Risk-adjusted Returns</b> 	By focusing on high-quality, lower-risk instruments, the Fund aims to achieve returns that are maximized relative to the risk involved.

### 2. Potential for consistent income distribution

The Fund utilises automatic reinvestment of potential monthly income distributions to enhance potential returns through compounding, emphasizing convenience and long-term growth potential.

### 3. Potential income and liquidity

Investment that provides potential stream of income<sup>1</sup> and liquidity<sup>2</sup>.

	AmUSD Money Market Fund	Fixed Deposit (FD)
<b>Liquidity</b> 	High liquidity, allowing for easy access to money – accrued daily income is paid monthly within 14 days after the last day of each month or on full redemption.	Lower liquidity as access to money is locked for a specified term (e.g. 6 months, 1 year, etc).
<b>Interest Payment</b> 	Interest is paid out more frequently, on a monthly basis.	Interest is usually paid at the end of the term or at regular intervals.

Notes:

<sup>1</sup> Income distribution (if any) will be in the form of additional units.

<sup>2</sup> Liquidity means that investors may receive their redemption proceeds within two (2) business days after redemption application is received by the Manager on or before the cut-off time.
