

AmFlexi Maturity 5

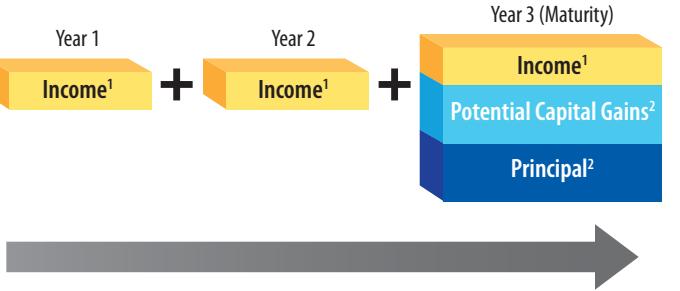

Growing Your Investments in a Changing World

About AmInvest

AmInvest funds span across different asset classes over four decades, providing both conventional and Shariah-compliant solutions to retail and institutional investors.

Key reasons to invest in AmFlexi Maturity 5 (the "Fund")

1. Potential yearly income distribution

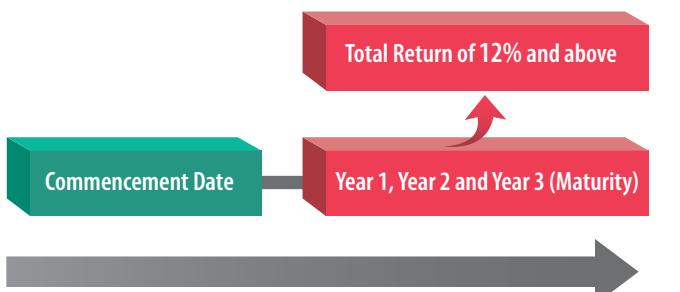

Notes: The above illustration is purely indicative and is not a projection or assurance of the future income distribution. The illustration also does not take into account early termination of the Fund.

¹ Provided there is no default and subject to availability of income, income distribution is made once a year after deducting all the Fund's fees and expenses including taxation and trustee fee. The yield of the Fund is targeted to range between 5.5% - 5.7% per annum over the three (3) year tenure of the Fund.

² Provided there is no general and specific risk involved.

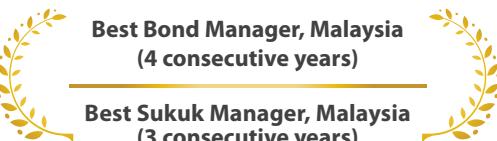

2. Unique feature - potential early termination

The Manager may exercise the early termination feature if the Fund achieves a total return (inclusive of prior income distributions, if any) of at least 12% before the Fund's Maturity Date.

Note: The above illustration is purely indicative and is not a projection or assurance of early termination. The Fund may be terminated at the Manager's discretion and the Fund's assets will be returned to unit holders. The Manager of the Fund is AmFunds Management Berhad.

3. Managed by award-winning fund manager – AmInvest

Fund Information

Fund Category 3-year close-ended fixed income fund.

Investment Objective The Fund seeks to provide regular income.

Note: Any material change to the investment objective of the Fund would require unit holders' approval.

Maturity Date The date, which is the third (3rd) anniversary of the Fund from the Commencement Date. However, the Fund is embedded with an early termination feature whereby the Fund may be terminated at the discretion of the Manager prior to the Maturity Date.

Asset Allocation • At least 70% of the Fund's NAV will be invested in bonds; and
• Up to 30% of the Fund's NAV will be invested in deposits and money market instruments.

Note: The Fund may reduce the exposure in bonds and increase its investments in deposits, money market instruments and other permitted investments in adverse market, economic, political or any other condition which include times of market weakness, high redemption and as part of the temporary defensive strategy as well as for the purpose of winding up the portfolio to accommodate the Fund's maturity or to accommodate early termination of the Fund. During this period, the Fund's investment may differ from the stipulated asset allocation. The Manager may also deviate from the above asset allocation for the first two (2) months from the Fund's Commencement Date.

Performance Benchmark The Fund has a yearly target return which at least matches the AmBank (M) Berhad 12-month conventional fixed deposit rate (fixed as at Commencement Date).

Note: The risk profile of the Fund's investments is higher than the risk profile of the AmBank (M) Berhad 12-month conventional fixed deposit rate and consequently, the Fund is expected to outperform the AmBank (M) Berhad 12-month conventional fixed deposit rate. There is no guarantee that the Fund's performance will always outperform the benchmark.

Specific Risks associated with the Fund Interest rate risk, distribution risk, liquidity risk, counterparty credit risk, credit and default risk, unrated bonds risk, currency risk, asset-liability mismatch risk and early termination risk.

Offer Price RM1.0000 per unit.

Offer Period 23 July 2024 to 5 September 2024 (total of 45 calendar days).

Note: The Manager reserves the right to determine a shorter Offer Period without prior notice. No units will be available for sale after the Offer Period. In addition, the Manager also reserves the right not to make investments for the Fund on the Commencement Date in the event the fund size is below RM20 million. In such case, the Manager shall return the subscription amount to the unit holders together with the entry charge.

Commencement Date The date on which investments of the Fund may first be made and is the date which falls on the seventh (7th) Business Day after the expiry of the Offer Period.

Income Distribution Subject to availability of income, distribution will be paid once a year.
Note: Income distribution (if any) will be in the form of cash.
