Growing Your Investments in a Changing World

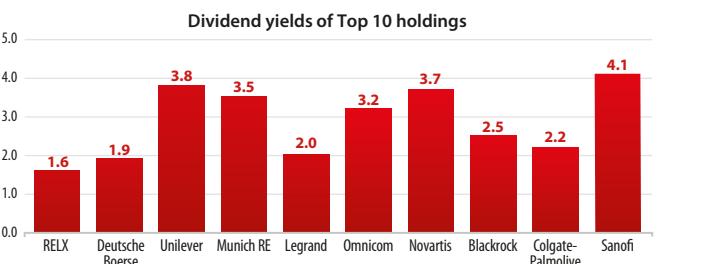

About AmInvest

AmInvest funds span across different asset classes over four decades, providing both conventional and Shariah-compliant solutions to retail and institutional investors.

Key reasons to invest in Global Dividend (the "Fund")

1. Potential benefits of equity dividends

- Equity dividends offer positive yields

Note: Dividend Yield is calculated by summing the dividends expected in the next 12 months, excluding special or once-off dividends, divided by the price as at the date of publication. Declared dividends may not be confirmed and may be subject to change. Past performance is not an indication of its future performance and unit prices and investment returns may go down, as well as up.
